## EDUCATION

---

### Dr. Akhilesh Das Gupta Institute of Technology

*B.Tech, computer science engineering*

Delhi, India

2021 - 2025

### Chhotu Ram Rural Institute Of Technology

*Diploma*

Delhi, India

2018 - 2021

## EXPERIENCES

---

### Codsoft — Web developer

Aug 2023 - Sep 2023

*Delhi, India, Remote*

- Contributed to the design and development of user interfaces utilizing HTML, CSS, and JavaScript.
- Dedicated to ongoing learning, keeping up with the latest trends and advancements in web development to improve skills.
- Actively involved in coding, transforming design ideas into functional and visually attractive web interfaces.
- Created visually appealing websites with an emphasis on responsive and contemporary styling.

## PROJECTS

---

### Job portal / *Html, CSS, JavaScript, Scrolltrigger.js, Locomotive.js*

[link](#)

- Incorporated the JavaScript Scroll Trigger library to enhance the website's scrolling experience. Leveraged this library to create smooth animations and transitions, ensuring an engaging and modern user interface.
- Crafted an intuitive and user-friendly interface with a focus on simplicity and clarity. Prioritized ease of navigation to ensure a positive user experience.

### Music website (sangeet) / *Html, CSS, JavaScript, JSON, API*

[link](#)

- Created a music discovery website that allows users to search for their favorite artists, providing a user-friendly interface to explore a vast collection of musicians and bands.
- Implemented an interactive search feature that enables users to easily find their preferred artists. The search functionality is designed to be efficient, providing instant and accurate results as users type.

### Razorpay Clone Website (Working on) / *Html, CSS, JavaScript, Tailwind CSS*

[link](#)

- The aim of this project was to create a clone website of Razorpay, a popular online payment gateway, using Tailwind CSS as the front-end framework.
- The objective was to replicate the key features and visual design of Razorpay's website while leveraging the capabilities of Tailwind CSS for efficient and responsive web development.

## ACHIEVEMENT

---

### CodSoft

- Successfully completed a 4 weeks online certified training on Web Development. The training consisted of HTML, CSS, JS, and Final Project modules. I scored 100% in the final assessment and was top performer in the training.

## TECHNICAL SKILLS

---

**Language:** C++, Python

**Technical Skills:** HTML, CSS, Tailwind, JavaScript, MySQL

**Tools:** Git, GitHub, VS Code
